Damage caused to Hirakud Dam

2032. SHRI SANATAN BISI: Will the Minister of WATER RESOURCES be pleased to state:

(a) whther it is a fact that heavy rains during the first week of November, 1995 have caused a huge damage to the right dyke of Hirakud Darn (Orissa);

(b) if so, the details thereof; and

(c) the steps being taken to repair in damage?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P.V. RANGAYYANAIDU): (a) and (b) Yes, Sir. Sliding and sloughing over a length of about 200 meters had occured on the right side approach bund of Hirakud Dam due to heavy rains from 10th to 12th November 1995 in orissa on account of cyclonic storm. Repairs to the damage have been estimated by the State as Rupees eight lakh.

(c) Govt, of Orissa has reported that they have commenced repairs to the damged portion of the right side approach bund. Centre has provided Rs. 25.75 crore for rescue, relief and emergency repairs of damaged structures like Hirakud and others under the National Fund for Calamity Relief for the flood Calamity in Orissa during November 1995. The Centre has also released the Central contribution of Rs. 34.69 crore for 1995-96 under Calamity Relief Fund and an additional Rs. 9.19 crore as first instalment of Calamity Relief Fund of 1996-97. These funds could also be used for repair and restoration of damaged structures including Hirakud bund.
